

## Beautiful Angle Poster Inventory and Pricing

Pricing for Beautiful Angle posters is based on rarity. In other words, the more we have left, the less they cost. All pricing is based on a limited original run of approximately 120 posters. In nearly all cases, 80 of those original posters were distributed free of charge around Tacoma. Because of this pricing policy, pricing is subject to change.

**To order posters, simply check the price and availability of posters below. Then click the *BUY NOW* link on the poster's page and use PayPal's secure payment system to pay that amount. Tax is included and shipping is free. We'll stick your poster in the mail in just a few days.**
